LUXE VANITY TOP COLLECTION

Coastal Quartz Solutions is the nation's leader in fabricating and distributing stock 2cm quartz vanity countertops to the trade. We have developed a luxurious product line of stock 2cm vanities in twenty-two different configurations that complement any design taste.

So whether you are a plumbing wholesaler, a retailer, a distributor, or a custom home builder, we have solutions that fit your business. In today's business climate, buying domestic reduces the risk of project delays by eliminating the need to go overseas for aggressive pricing.

Our competitive programs put you, the specifier, back in control of your supply chain and ensure your projects stay on time, every time.

LUXE VANITY TOP COLLECTION

Availability

Most vanity tops are in stock and ready to ship upon demand. Just choose your color, size, sink and splash option.

Price Point

Our aggressive price point allows you to utilize our quartz vanity tops as a standard or upgrade. Why use inferior products when you can have a luxurious vanity instead?

Design

We have nine timeless colors to choose from that are complimentary to all design styles.

Installation

Each vanity includes all materials needed to install the countertop. This includes a backsplash, a sink, and a simple to use sink installation kit. Side Splashes are sold separately.

Faucet Holes

We utilize a unique tap-out faucet drill configuration. You can determine if you use a single, 4" or 8" spread configuration on the job site by tapping out the color-coded faucet holes.

Features & Benefits

The Luxe Collection quartz vanity program countertops are scratch, stain, and heat resistant along with having extremely low maintenance.
